Samuel Kuhn	Yesterday's work:	Worked on LDS trailhead; flashcards for PD1; final attempts at testing
	Today's work:	PD1 practice exam, presentation work, trailhead
	Roadblocks:	Got stuck on setting up test data related to pricebooks/orders and parameters
	Comments:	I did not get as far as I wanted to on my testing so I'll need to reference that in future directions
Taylor Billingsley	Yesterday's work:	Added page messages from my table so the errors would generate in Salesforce format worked on the Homepage screen for our presentation, adjusted my flow so that files would directly upload to our case
	Today's work:	I want to work on presentation slides this morning so that rehearsal goes smoothly this afternoon; I'd also like to get more involved with the FOF PD1 content
	Roadblocks:	N/A
Nicholas Kroeger	Yesterday's work:	Finished all use cases but the import org one
	Today's work:	Test the import org use case, presentation prep, maybe put the navigation bar on VS pages
	Roadblocks:	P2 im fine, but a bit behind don where I'd like to be for studying for PD1
