

| Name               | Item              | 04/10   | 04/11   |
|--------------------|-------------------|---|---|
| Jeff Janes         |                   | worked on cert prep got more badges and picked out three use cases I thought I could do       | did quizzes and then worked on what I needed to , worked on badges and focused on using both vscode and developer console |
|                    | Today's work:     | visual force quizzes p2   | qc and a prep thing this morning at 8   |
|                    | Roadblocks:       | none  | none really   |
|                    | Comments:         |   |   |
| Nicholas Kroeger   | Yesterday's work: | Trailhead, starting P2  | Quizzes Loom, trailhead badges, light studying  |
|                    | Today's work:     | Quizzes 1:1/ videos, a bit more p2, studying  |   |
|                    | Roadblocks:       |   |   |
|                    | Comments:         |   |   |
| Parker Van Every   | Yesterday's work: | study apex, study qc, apex trailheads   | study for qc, trailhead, p2   |
|                    | Today's work:     | quizzes, study apex, study qc, pdp  | qc, badges, p2  |
|                    | Roadblocks:       | none  | need to get better at writing apex code   |
|                    | Comments:         |   |   |
| Samuel Kuhn        | Yesterday's work: | Tried to start Portfolio Phase 3; Did 1 use case  | Prepared GitHub for P2; Started second use case   |
|                    | Today's work:     | Notes; prepare for the week   | Interview Prep; P2 work   |
|                    | Roadblocks:       | Portfolio Phase 3 seems to have nothing we can complete before the deadline                   | Need some clarification on how to coordinate manifest   |
|                    | Comments:         |   |   |
| Taylor Billingsley | Yesterday's work: | Studying APEX, Working on Apex Database badges, Salesforce Badges, etc; Completed 2 Use Cases | Apex Trigger Trailhead badges, Salesforce Badges  |
|                    | Today's work:     | Quizzes and working more on P2; More Salesforce Content Drilling                              | QCs (all day), Interview Prep session, More study/Project analysis  |
|                    | Roadblocks:       | N/A   | N/A   |
