Jeff		p1 study quizzes trello	practice for cert and finish quizzes
	Yesterday's work:		
	Today's work:	quizzes	badges cert practice
		time use case	qty of thing this week time
	Roadblocks:		
	Comments:		
Nick	Yesterday's work:	Security badge, P1 stuff	A few use cases, some troubleshooting
	Today's work:	P1 Stuff, if I finish P1, either begin pres prep, or do security badge	Figure out best solution to an issue, studying. Ideally finish use cases
		Stuck on superbadge setting, ended up burning time I intended to use on P1, so fell behind	Unsure about solution choices
	Roadblocks:		
	Comments:		
Parker	Yesterday's work:	Stuck on use case(s), got stuck on security badge	completed some use cases, quizzes, studied for exam
	Today's work:	P1, quizzes, loom	finish use cases, security badge, study
	Roadblocks:	Stuck on SF stuff, not enough time	IP range use case, wondering if can just demonstrate for one profile
	Comments:		
Sam	Yesterday's work:	Completed all but one of my personal use cases; completed phase 1	Finished last personal use case; completed mandatory team use case
	Today's work:	work on completing p1: last personal use case; mandatory team use case as well	Study Process Automation + Debugging; First Focus on Force attempt
	Roadblocks:	payment object can't take on approval process - solution: create a reimbursement object for approval	N/A
	Comments:		I'd like to get started on the presentation slides for P1 by the end of day tomorrow
Taylor	Yesterday's work:	Working on use cases, studying for today's quizzes, looking over PDP requirements	the quizzes; a few use case
	Today's work:	Doing quizzes, completing Loom videos, working on more use cases	focus on force exams; security badge; finish more use cases
	Roadblocks:	Workaround on this one use case's permission sets to give the user just enough access to fulfill their roles without giving too much	can't get case access for a user (Alexandra Atello)
