Name	Item	03/27
Jeff	**Yesterday's work:**	p1 study quizzes
	Today's work:	quizzes
	Roadblocks:	time
	Comments:	
Nick	**Yesterday's work:**	Security badge, P1 stuff
	Today's work:	P1 Stuff, if I finish P1, either begin pres prep, or do security badge
	Roadblocks:	Stuck on superbadge setting, ended up burning time I intended to use on P1, so fell behind
	Comments:	
Parker	**Yesterday's work:**	Stuck on use case(s), got stuck on security badge
	Today's work:	P1, quizzes, loom
	Roadblocks:	Stuck on SF stuff, not enough time
	Comments:	
Sam	**Yesterday's work:**	Completed all but one of my personal use cases; completed phase 1
	Today's work:	work on completing p1: last personal use case; mandatory team use case as well
	Roadblocks:	payment object can't take on approval process - solution: create a reimbursement object for approval
	Comments:	
Taylor	**Yesterday's work:**	Working on use cases, studying for today's quizzes, looking over PDP requirements
	Today's work:	Doing quizzes, completing Loom videos, working on more use cases
	Roadblocks:	Workaround on this one use case's permission sets to give the user just enough access to fulfill their roles without giving too much
