Name	Links		Day 1	Day 2	Day 3	Day 4	Day 5
Jeff Janes	https://github.com/JeffJanes2023	Yesterday's work:	took admin exam	Joined APEX with VSCODE Going through Apex notes did 5 challenges PDP Badges	APEX Notes Cert badges p2 use cases	worked on challenges and badges went over SOSL finished portfolio phase 2 studied for cert	work on triggers and studied for cert and did some badges wroked on portfolio
	Email: jeff308	Today's work:	badges retrospective new content pdp	QC APEX	portfolio pdp badges	workday stuff p2 badges apex triggers trello and ERD PDP	study for cert look at use cases an more badges
	https://github.com/Fire-Hawks-Amplifire-Revature	Roadblocks:	trail head issue resolved during night	No real roadblocks so far today	nothing really	not too much today	just moving forward
		Comments:					
Nicholas Kroeger	github.com/NRKroeger	Yesterday's work:	Studying, Admin exam	Began Apex,various other things for pdp and such	Cont. Apex, SOQL intro, coding challenges, portfolio, QC	Study SOQL stuff, light project discussion	STudying, Apex triggers, mostly finished ERD
	https://github.com/Fire-Hawks-Amplifire-Reva ture	Today's work:	Retrospective, intro to apex, probably do a few badges	QC, finish pdp, continue apex	Continue learning, trailhead, SOQL, marginal P2 work	More study, a bit more analysis of project	Finish Apex stuff, general studying
		Roadblocks:	N/A			N/A	N/a
		Comments:					
Parker Van Every	https://github.com/pdvanevery	Yesterday's work:	Took Cert Exam	Trailhead, apex, 1:1	Trailhead, QC, apex	Trailhead, Apex	Trailhead, apex,
		Today's work:	Apex, 1:1, trailhead badges	QC, Trailhead, Apex	Trailhead, apex, maybe p2	Trailhead, Apex, specifically Admin study module	Trailhead, apex, QC practice if have time
	https://github.com/Fire-Hawks-Amplifire-Reva ture	Roadblocks:	N/A	still confusing apex classes and method syntax with javascript syntax	N/A	Might be doing badges at too slow a rate	
		Comments:					
Samuel Kuhn	https://github.com/skuhn002	Yesterday's work:	Took Cert Exam over the weekend; worked on portfolio phase 2; studied for QC; tried to complete Data Security Badge - almost halfway done	Continued Reading through Apex notes - still have 3 sections to read	Continued Reading through Apex notes - one section left to read	Finished reading through Apex notes; started on the ERD with Taylor; analyzed the rest of the use cases for P2	Completed the ERD with Nick; worked on Apex Trigger challenges; Data Security Trailhead Badge; QC Mock question on Apex content
		Today's work:	1:1's with Ethan, start studying developer content	Read the last 3 sections on Intro to Apex notes	Read the last section of the Apex notes	figure out what to do next; work on ERD	Decide on one or more use cases for P2; work on one or more use cases for P2; work on Data Security Trailhead Badge
	https://github.com/Fire-Hawks-Amplifire-Reva ture	Roadblocks:	n/a	n/a	n/a	not sure what is the best use of time currently	n/a
		Comments:					
Taylor Billingsley	https://github.com/SakuraYuna	Yesterday's work:	Doing Cert Exam	Set up with Apex	Trailhead Badges + RevPro Challenges	Work on Trailhead badges, Worked on ERD + Trello Board	Studied and did Apex challenges, Trailhead, etc.
	https://github.com/Fire-Hawks-Amplifire-Reva ture	Today's work:	Work on new material, Work on more Trailhead badges, retrospective, PDP, etc.	Find Trailhead badges for apex	Set Up Workday Portal; Work more on badges; learn new content	Do more work on ERD and study more Apex content; keep fresh on Salesforce content	Complete PDP assignment for today, look over SF content,
		Roadblocks:	N/A	N/A	N/A	N/A	N/A
